RE: United States v. Ross Mandell (1:09-cr-000662-PAC-1)

Dear Judge Crotty:

Please allow me to update the Court as to Mr. Mandell's situation at the Federal Prison Camp in Miami.

I have just been informed that Mr. Mandell has been approved by the BOP for release to home confinement/supervised release, as of June 4, 2020. Additionally, he has been approved for a furlough, I am waiting to be advised as to his actual release date at which time I can update the Court.

As soon as I have any more information I will be sharing this information.

Respectfully submitted,

/S/ Mark G. Astor
